2014 ANNUAL GENERAL MEETING

Greater Nipissing Stewardship Council

protect • conserve • improve • restore

Wednesday April 16th, 2014

About the Council

Greater Nipissing Stewardship Council

protect · conserve · improve · restore

Large area encompassing all of Lake Nipissing

Student Tree Plant

- Spring planting undertaken by students of St. Joseph-Scollard Hall Secondary School **Green Team**
- The island in Chippewa Creek behind the North Bay Memorial Gardens was planted with confer and deciduous saplings
- Partners: North Bay-Mattawa Conservation Authority and the City of North Bay

TD Tree Days 2013

- Fall planting took place in September. Funded by Tree Canada
- Volunteer power provided by TD friends of the Environment Chapter
- This year's additional partners: North Bay Mattawa Conservation Authority and the City of North Bay
- An urban site along Chippewa Creek beside Amelia Park was planted with large trees

Annual Used Household Battery Collection Competition

- 2300 students from 7 area secondary schools participated collecting a total of 2,998 kg of household batteries in a 8 week period.
- The 3 top schools collecting the greatest weight per student were:

F. J. McElligott Secondary School	8.1 kg/student
École Secondaire Publique Odyssée	2.4 kg/student
Nbissing Secondary School	2.3 kg/student

- Since its inception over 44,797 kg of dead batteries have been diverted from local landfill sites
- Participating partners with us were Greening Nipissing and Nipissing Environmental Watch

51st Annual North Bay Regional Science Fair

2013 - Stewardship Council Award Recipients for projects on natural resources or the environment

Junior Division (Grade 7-8)

Membership Program

•An opportunity to join us and even become a board member
• Being a member is not necessary to receive information or work with council on a project
•Go to our website to volunteer or join at www.greaternipissing.ca

Media Partner Activities

COGECO NORTH BAY NEWS

NORTH BAY NUGGET
A DAY IN YOUR LIFE.

Council greatly appreciates the $95,000 worth of in-kind media time received from our media partners each year. We use this time to advertise our efforts and projects.

We also use it to create public service announcements.

In 2013 some of these announcements included information on ice-hut removal & cleanup, crown land recreation and steps that can be taken to reduce the spread of invasive species.

Communicating our Efforts
